

Dear Parents and Friends of St Mary MacKillop Primary School,

Every Day is Anti Bullying Day at SMMK! Next Wednesday 12 March at 1.30-3:00pm, Mr Vic and Mrs Liz O'Callaghan will present a Restorative Practices Kindergarten Parent afternoon as a part of the induction into the school community. It is also open to all parents to refresh their understanding of Restorative Practices. Restorative Practices has been developed with one specific goal in mind; to support and facilitate the building of healthy relationships. The MacKillop Model of Restorative Practices was initiated in 2003 and during the past eleven years the MacKillop Model of Restorative Practices has been instrumental in changing practice in schools and homes around the world. By naming this process of interaction the MacKillop Model, we were conscious of the place of St Mary MacKillop in our lives. Basic to the Restorative Practices process, characterised by common language, shared practice and consistency of practice, are the Restorative Questions. All staff and students use these questions not only as tools of enquiry, but also as effective means of developing relationships during times of stress and difficulty. Key to our operation in education is the centrality of our Catholic tradition. To this end, Restorative Practices provides us with the capacity to teach forgiveness and healing in the real context as illustrated by Jesus. His is a way of living that acknowledges difficulties not as problems, but as opportunities for learning. A part of this is creating a plan for the future. What a wonderful opportunity to welcome back Mrs Liz O'Callaghan, who was Principal at St Mary MacKillop during the 90s, by attending this meeting next Wednesday afternoon at 1.30pm in the school library.

#### Ash Wednesday:

Yesterday we gathered on Ash Wednesday at St Mary MacKillop in prayer to begin the forty days of lent during which we prepare for the new life of Easter. The ashes we received yesterday remind us to follow Jesus in word and action during lent and throughout all our lives. Let us Pray

*Ash Wednesday is a day of fasting.*

*O Jesus, you place on my forehead*

*the sign of your saving Cross:*

*“Turn from sin and be faithful to the gospel.”*

*How can I turn from sin*

*unless I turn to you?*

*You speak, you raise your hand,  
 you touch my mind and call my name,*

*“Turn to the Lord your God again.”*

*These days of your favor  
 leave a blessing as you pass  
 on me and all your people.*

*Turn to us, Lord God,  
 and we shall turn to you.*

*Amen*

#### More Than a Great Education:

Next week St Mary MacKillop we will join Catholic Schools across NSW and the ACT to celebrate Catholic Schools Week from 9-15 March. The theme for CSW 2014 is 'more than a great education' which encourages schools to showcase for the community what's happening in our classrooms. Check the diary section of our newsletter for the date and times of the SMMK Catholic Schools Week events which include:

- Liturgy, open classrooms, Restorative Practice Parent Information session
- Captivate Orchestra performance and school cross country.

#### Thought for the Week

*“Everybody is a genius.*

*But if you judge a fish by its ability to climb a tree,  
 it will live its whole life believing that it is stupid.”*

Albert Einstein

Have a Blessed Week

Mr Michael Siciliano  
 PRINCIPAL

### The Season of Lent:

The Season of Lent began yesterday with Ash Wednesday. Lent offers us all a chance to grow in our relationship with God through regular prayer and works of love. In our busy world, Lent provides us with an opportunity to reflect upon our lives, to pray more deeply, experience sorrow for what we have done and failed to do, and to come back to God with a change of heart.

During Lent we look for a renewal of our lives and we seek the meaning of Jesus' self-less love, so that we might reflect that love to others. We have to work hard to resist temptation and to change some of our bad habits. We know that this will not be easy but we are encouraged by the mission that Christ gave us:

*Feed the hungry*  
*Welcome the stranger*  
*Clothe the naked*  
*Comfort the sick*  
*Visit the imprisoned*

During this Lent Christ is asking us: who might we feed, welcome, clothe, comfort or visit?

### Project Compassion 2014:

Ash Wednesday also marked the beginning of the annual Caritas Australia Project Compassion appeal. This year's Project Compassion stories are about our desire for a full and beautiful life within the surroundings of home. Not just a house to live in, but a life filled with certainty, free from the burden of poverty with access to food, water, education, healthcare and shelter.

Donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work towards this creation of a more just and fair world for whole communities. This week all classes received a Project Compassion box to place in their sacred space. Over the next few weeks the students will be encouraged to give generously to those less fortunate than themselves. It would be appreciated if you could support your children in putting their compassion into action this Lent by supporting the 2014 **Project Compassion Appeal**. You can also donate online via the website [www.caritas.org.au/projectcompassion](http://www.caritas.org.au/projectcompassion).

**Project Compassion, Week 1**, brings you the story of Maristely. An advocacy program in São Paulo, Brazil, enables *favela* (city slum) residents to gain legal deeds for their land, as well as securing access to basic services. A youth empowerment program is enabling young people from the *favelas*, like Maristely, to work for justice so that peace, rather than violence, rules the streets where they live. Your donation to Caritas Australia's Project Compassion provides young people like Maristely with the opportunity to become leaders for justice.

**Project Compassion, Week 2**, brings you the story of Deng. For Deng in South Sudan, the cycle of poverty and disability was made worse with the civil war, which led him and his family to flee their village and live in the bush for many years. Deng and his family are rebuilding their lives through their participation in a Caritas Australia food security program. Your donation to Project Compassion can help individuals like Deng to rebuild their lives post-conflict. [www.caritas.org.au](http://www.caritas.org.au)

Parents and friends, please lead by example and **use** the crossing that has been provided for you and your children's safety. Children can only learn through repetitive practice - such as using the crossing on Fragar Road during the peak school hours, or whenever a crossing is available to use.
