

Dear Parents and Friends of St Mary MacKillop School,

Our school constantly strives to be:

*A Christ centered community which challenges students to develop their unique gifts and talents through a supportive partnership of school, parents and parish.*

Last term I shared in each edition of the newsletter, how we have created new, really dynamic teams of staff this year to work together in delivering our school vision for your child. Not all of these teams however, have classroom teachers. We have many staff that share other talents and gifts with our community.

In our school office we have Mrs Capolupo, Mrs Brock and Mrs Groger. They are the first point of contact for our families and community. They look after the first aid issues in the school, the communications in all its many forms between home and school. They assist in the financial operation of the school.....the list goes on and on. Amazingly they do this complex work with a smile and a kind word every day.

In our classrooms we have a team of Teacher's Aides. Mrs Inskip, Mrs Breia, Mrs Daines and Mrs Napoli, support our students and our teaching team in everything from reading practice, to playground duty to implementing student health plans. They wear many 'hats' to help us be successful across all of our classes and students.

To help us with our facilities we have Mr Reynolds and Mr Meredith looking after our resources and facilities. Mr Reynolds has a focus on technology and looks after our network as well as classroom devices. Mr Meredith looks after our grounds and gardens to ensure a wonderful environment for learning and play.

Delivering our mission for each and every student at our school is a huge undertaking. The classroom teachers alone would not be able to deliver the quality we want for our children. Each of these teams is a genuine cooperative team that do amazing things for our kids and are a priceless support for our classroom teachers.

**Facilities**

The recent school holidays were an opportunity for us to get some maintenance and facilities projects done without causing disruption or risk to our learning and students. Over the Easter break we were able to; repair all electrical faults with lights etc.. fix a broken water pipe and repair the concrete, complete the replacement of all air-conditioners from Year 1- Year 6, Repair the motorised curtains in the school hall, repair two of our external school gates and have our cleaners come in to do a big holiday clean.

Later this term we will commence a big project where we will remove the entire roof of the school and replace the old leaking tiles with new colourbond sheets of metal (like we have on the hall). I am in discussion with the builders at the moment to minimise disruption to our students and learning whilst carrying out this upgrade work.

**Staffing News**

Congratulations to Mrs Milgate and her husband Michael. They welcomed baby Sophie to their family on Sunday, 28th April. Another congratulations to Mrs Tredinnick, her husband Geoff and daughter Teegan. They welcomed baby Zoe into their family over the weekend. We wish both Mrs Milgate and Mrs Tredinnick all the very best as they move to this next chapter of their lives together.

Welcome back to Mr McErlain. After a well earned term of Long Service Leave, Mr McErlain will take over teaching duties for Year 3 for the rest of the year..

## The Season of Easter

The celebration of the Easter Vigil (on Holy Saturday) is the beginning of the season of Easter.

While the Vigil marks the end of the celebration of Holy Week, and the end of repentance and conversion for which Lent prepared the community, it is much more a beginning. It is the beginning of a new season of grace and a time of joy and thanksgiving, for Easter is not one day or one solemnity—it is a fifty day celebration from Easter Sunday to Pentecost Sunday.

The colour of the Season of Easter is white or gold reflecting new life, fulfilment, rejoicing and joy.

*The apostles' acts continue the work of Jesus, through the ways they bring his liberating message and his healing.*

*And Jesus is very much with us during the Easter Season, offering us his peace.*

*We ask to be able to share our faith and our love with others.*

*Jesus said,*

*"Why are you so frightened?*

*Why do you doubt? ...*

*...you must tell everything that has happened.*

*-- Luke 24:38, 48*

*He's  
Risen!*

### **Social Justice Initiatives**

Throughout the school year the St Mary MacKillop community is involved in many Social Justice initiatives. These initiatives complement the Religious Education Programs taught in each grade and aim to foster in the students a deep desire to help others less fortunate than themselves. The Social Justice activities that we will be involved in this year are:

Project Compassion  
Catholic Care  
St Vincent de Paul Winter Appeal  
Penrith Community Kitchen  
The Mary MacKillop Institute  
Catholic Mission  
St Vincent de Paul Christmas Appeal

Social Justice programs allows Christians to reach out in compassion and unity to those who are most in need – it is truly living the message of Jesus and St Mary MacKillop “Never see a need without doing something about it”.

### **New Religious Education Curriculum**

The Parramatta Diocese has and continues to be in the process of developing a new Learning Framework for Religious Education. The new approach is based on an experiential and inquiry based pedagogy and responds to learning elements of the Review of Religious Education that took place in 2014. The new Religious Education curriculum is a co-creation with students, parents, teachers, clergy and system leaders. At the heart of the process is the commitment that the student wonderings about their faith would be the catalyst and the inspiration of the Learning Framework.

The draft Learning Framework for Religious Education is being trialled in Term 2 and our school has taken up the exciting opportunity to be a part of the trial in Year 1. This will replace the current Sharing Our Story Program for Term 2. All St Mary MacKillop teachers will participate in a Professional Learning Program for the new Learning Framework throughout 2019 and will be well prepared for its implementation. This is an exciting opportunity for our community to further enhance our approach to Religious Education and promises to offer great learning for our staff and students.

We look forward to sharing this wonderful experience with you throughout the year and will keep you updated of the details of the trial as it proceeds.

Mrs Gillard  
*Religious Education Coordinator*

**Does your child catch a school bus? Help them keep it!**

As the bus operator that providing your child's school bus services, we're asking for your help getting your child to use their Opal card on every bus trip.

Since the introduction of the School Opal card in 2016, school bus patronage data has significantly dropped. This is not reflected in the number of students actually travelling on our buses for various reasons a large number of students are consistently not using their Opal cards as they should be.

Opal data gathered by tapping on and off is used by transport planners and service schedulers to design the bus network that best serves the community utilising the resources available.

If students don't tap on and off then school bus services will appear underutilised and may be considered for cancellation based on low passenger numbers.

Please help us reinforce the message that tapping on and off every bus journey with an Opal card is essential to travel on the bus. This will ensure school services continue to be planned for the students that use it, providing the journey to school your children depend on.

To help us achieve this, please talk with your child:

- Ask them if they tap on and off the bus with their Opal card.
- If they do, congratulate them for doing the right thing and talk about why it's important.
- If they sometimes don't or never do, ask them why.
  - Are they confused about why they have to? Talk about why it's important, and that every tap tells the bus planners that the bus is needed.
  - Do they forget? Help them find a way to remember, such as getting into the habit of getting their Opal card out as soon as they arrive at the bus stop or bus line.
  - Is their Opal card at the bottom of their bag? Help find a handier place to keep it.
  - Are they influenced by friends or peers that don't tap? Talk about how they like to travel on the bus with their friends and how tapping is what keeps the service running.
  - Have they lost their Opal card? To order a new Opal card visit [www.opal.com.au](http://www.opal.com.au).

If there's another reason that you'd like to discuss with Busways, please contact us at [info@busways.com.au](mailto:info@busways.com.au). We are happy to listen and do what we can to help your child feel comfortable using their Opal card.
